**Dog licenses**—State law mandates that **ALL DOGS** be licensed. Please submit a valid rabies vaccination certificate in order to be issued tags for your dog. The form is on the website. Fees are \$10 for spayed/neutered dogs and \$15 for intact dogs. Licenses expire on 3/31/2024. Those individuals will be responsible to pay fees of \$169 per dog if not licensed if they fail to comply within 30 days of notice from the District Attorney's office, State Statute 174.12(4)

**THINK SPRING AND MEMORIAL TREES**—There are a few trees at the south pond that are not claimed as memorial trees. The trees did well over the past year and are growing! If you wish to have a tree reserved for a memory of anyone, the cost is \$100 per tree which includes the tree and an engraved plaque. Contact the village office at the above number to reserve your tree! A great gift for that hard to buy person---the person being honored does not have to be deceased! **Mark a tree in honor of your family or friends with your favorite sentiment on the plaque! A great fun idea borrowed from a resident-- , plant a tree for your children/grandchildren and watch it grow as your family grow!!**

**SNOW**—Well, we didn't get much and happy to report that the village budget for snowplowing didn't take a hard hit! The no parking rules from midnight til 7 am is still in effect until April 1 however. **Please cooperate by keeping your vehicles off of the street between these hours.** Everybody wants the streets to be clear early in the morning and the DPW employees start clearing very early in the morning even before we are awake so that the streets can be clear for you to get to work, appointments, or school!

**Regular board meeting** is Monday, March 11, 2024 at 4 pm at the JMTM Library. The public is welcome and encouraged to attend- if you wish to speak, you may request to be included on the agenda.

**Spring election will be held on Tuesday, 4/2/2024 from 7 am to 8 pm. Please pre-register on MyVote.com to save yourself time at the polling place.** Board members' terms who expire this spring are Joseph Dowden and Will McCarron.

**Compost Site-** The village yard waste collection site is east of the Water Tower. No large tree branches, no plastic pots/bags, no garbage!! Materials allowed are grass, leaves, small twigs and branches less than 4", and garden waste.

**HOUSE NUMBERS—PLEASE post your house number so that it is visible from the street, preferably near the front door facing the street near the door jamb. REPEATING AGAIN!!!**  
example>>>>>>>

105

**We sure don't want to have an instance of an ambulance or other emergency vehicle not being able to find your residence because there is no house number posted!!!**

**Meals on Wheels**—meals are served on Tues/Thurs at 11:30 am at the Centennial Hall for eligible participants. Contact the Commission of Aging Office at 715-748-1491. Cost is \$4 per meal. Home delivery is also available—those delivered meals receive the daily meal plus a meal for the next day. The Commission on Aging Office has much to offer to our seniors, not just meals, but support, education, transportation, and entertainment, just to name a few items.

**Building permits are required for any projects over \$2500.** New building permit fee schedule is listed on the reverse of this page., effective 2/12/2024. ----->
