**ORDINANCE NUMBER 60 – VILLAGE OF STETSONVILLE**
**AN ORDINANCE PROVIDING FOR THE STUDY OF SEWAGE DISPOSAL AND TEMPORARILY PROHIBITING CONSTRUCTION OF PRIVATE SEWAGE FACILILTIES AND REGULATING NEW CONNECTIONS TO EXISTING SEWAGE DISPOSAL FACILITIES.**

**WHEREAS**, the disposal of sewage and wastes in the Village of Stetsonville, has heretofore been considered and treated as a private problem to be taken care of the by the individual residents and property owners of said Village; and,

**WHEREAS**, the private sewage disposal facilities now existing in the Village of Stetsonville are being utilized to their maximum capacity and are not adequate to serve all areas of the Village, by reason of which extensions to be the existing private systems and/or new private sewage facilities are being contemplated by residents, and property owners of said Village; and,

**WHEREAS**, upon inspection and due consideration, the Village Board of the Village of Stetsonville has concluded that any new connections to the presently existing sewage facilities or the construction of any extensions to such system or the installation of any new private sewage facilities in the Village without careful study as to the location of the same, together with compliance with necessary regulations and precautions will be detrimental to the health and safety of the residents of the Village;

**NOW THEREFORE**, the Village Board of the Village of Stetsonville, do ordain as follows:

1. That the problems of sewage disposal in the Village of Stetsonville be and the same is hereby declared to be an emergency requiring action by the Village in order to safeguard the health, safety and welfare of the residents of the Village; and,
2. That there be and hereby is created a sewage disposal committee of this Board to be composed of three members thereof, appointed by the president, to study the matter of sewage disposal in the Village and to determine the necessity, if any, of additional sewage facilities or extension to the existing disposal system, the need for a new sewage disposal facilities, and the feasibility for establishing a municipal disposal system; said committee to report to the Village board thereon within thirty days from the date hereof;
3. That during the thirty-day period provided for in Section 2 hereof, the construction of new sewage disposal facilities or extension to any existing sewage disposal system within the corporate limits of the Village of Stetsonville, be and the same hereby is prohibited;
4. That during the thirty-day period provided for in Section Two hereof, no new connections shall be made to any existing sewage ditch or system within the corporate limits of the Village of Stetsonville, without the express approval of the Village Board of the Village of Stetsonville. Any person desiring to make any such connection during such period shall apply therefore to the Village Clerk, giving a description of the property involved and the exact location of the connection desired, together with such other additional information as shall be required in such application.

This ordinance shall take effect from and after its passage and posting.

Dated: June 10, 1957.
