ORDINANCE 50.01 TO 50.05--VILLAGE OF STETSONVILLE
ORDINANCE REGULATING THE CONSTRUCTION OF AND MAINTENANCE OF SIDEWALKS IN THE VILLAGE OF STETSONVILLE

The Village Board of the Village of Stetsonville ordains as follows:

SECTION 50.01 All sidewalks constructed in the village of Stetsonville shall conform with specifications as given in Sections 2521 and 2522 of the Wisconsin Highway Standard Specifications for Road and Bridge construction, and the amount of fill under such sidewalks shall be determined by the Village Board for each individual project.

SECTION 50.02 Each property owner shall be liable for keeping the sidewalk abutting his or her property free and clear of all hazards and obstructions. In the event of a snow storm such property owner shall remove the snow from said sidewalk within twenty-four hours. If the property owner shall fail to remove the snow within twenty-four hours, the Village board shall have the authority to order this work done and the costs of such work shall be assessed against the property owner.

SECTION 50.03 The costs of all new sidewalk construction, including the costs of excavation, fill, grading, and laying of concrete shall be divided as follows:

Two thirds (2/3) of such total shall be paid by the property owner.

One third (1/3) of such total costs shall be paid by the Village.

SECTION 50.04 No new sidewalks shall be construction in the Village of Stetsonville without the express approval of the Village Board.

SECTION 50.05 This ordinance shall take effect and be in force upon passage and posting.
