On the same thought---I am planning on retirement at

your vehicles off of the street between these hours.**

Everybody wants the streets to be clear early in the morning
and the DPW employees start clearing very early in the
morning even before we are awake so that the streets can be
clear for you to get to work, appointments, or school!

attend- if you wish to speak, you must request to be included

**HOUSE NUMBERS—PLEASE post your house
number so that it is visible from the street,
preferably near the front door facing the street
