Office Hours: Mon.-Tues.-Wed. - 7:30am to 2:00pm

Thurs. - 7:30am to 11:30am; Friday - Closed

****If I am out of the office during office hours, I more than likely am at the bank, post office, or shop - running errands. ****

BOARD MEETING - Monday, May 11, 2026 at 4:00pm at the JMTM Library. The public is welcome and encouraged to attend! If you wish to speak at public comment time or on an agenda item, you must call the Village Office at least 5 days prior to the meeting to be placed on the agenda. Agendas are posted on the website and at the Village Hall, shop, and post office.

BOARD OF REVIEW - Will be held Monday, May 11, 2026 at 3:45pm at the JMTM Library. The meeting will be to adjourn the BOR to a later date. 2026 is a Revaluation year and the assessor will be around the Village looking at everyone's property.

BUILDING PERMITS - Building permits are required for ANY projects over \$2500. Please see the Village Website for the form and fee schedule. Return completed forms with payment to the clerk's office BEFORE you start your project.

COMPOST SITE - Remember that the compost site accepts brush less than 4", twigs, garden waste, and leaves. DO NOT bring any garbage, plastics, metal, rubber, logs over 4" or anything that isn't organic. Please pay attention to the signs on where items should be unloaded.

RECYCLE/TRASH SITE - The Recycle/Trash site is located by the water tower on East Mink Ave and is open on Wednesdays from 5:00pm to 7:00pm and Saturdays from 9:00am to 1:00pm. Trash disposal is \$3.00 for a 30gal or smaller kitchen trash bag or \$5.00 for over 30gal bags or barrel. All recyclables are FREE! Even if you don't use the trash disposal program, bring your recyclables and utilize this free service!

SUMP PUMPS - Residents are reminded that sump pumps must NOT be connected to the sanitary sewer system. Sump pump discharge should be directed to the yard or street in accordance with local guidelines. Improper connections can overload the sewer system and lead to sewer backups and increased treatment costs.

THE "NOT SO" FLUSABLE WIPE - These so-called "flushable" wipes should NOT be flushed down toilets. Despite their labeling, these wipes do not disintegrate properly in the sewer system. Flushing wipes can lead to clogged pipes, equipment damage, and sewer backups. To protect both your home and the village's infrastructure, please place all wipes in the garbage rather than flushing them.

VILLAGE WIDE GARAGE SALE

Thursday, Friday & Saturday -

June 11, 12, & 13, 2026

Our Village Wide Garage Sale is just around the corner and we want to encourage all residents to participate. This is a great opportunity to clean out unwanted items, connect with neighbors, and bring more visitors into our community.

By signing up before the May 29th deadline, your sale will be included in the Shopper ad, our official garage sale list and map, helping shoppers easily find your location. Let's make this year's Village Wide Garage Sale the best one yet!

IF YOU WISH TO SIGN-UP PLEASE EMAIL clerk@villageofstetsonvillewi.gov or call the Village Hall at 715-678-2191.

Please use the Village Website as a means to keep current with events in the Village including legal postings and meeting notices.
