

**ORDINANCE NUMBER 62—VILLAGE OF STETSONVILLE
AN ORDINANCE AMENDING ORDINANCE NUMBER 61--
ESTABLISHING A MUNICIPAL SEWAGE SYTEM**

The Village Board of the Village of Stetsonville ordains as follows:

The following Sections of Ordinance 61 entitled “an Ordinance Establishing Municipal Sewage System” enacted by the Village Board of the Village of Stetsonville on October 20, 1966, are hereby amended to read as follows:

SECTION 4. The owners of all houses, buildings, mobile homes, or mobile home parks, or other properties used for human occupancy, employment, recreation or other purposes, situated within the Village and abutting on any street, alley or right-of-way in which there is now located or may in the future be located a public sanitary or combined sewer of the Village, is hereby required at his expense to install suitable toilet facilities therein, and to connect such facilities with the proper public sewer in accordance with the provision of this Ordinance, within the two-year period from and after November 15, 1966, and within one-hundred- twenty days after receipt of official notice from the Village of Stetsonville to do so; provided that said public sewer line is within 200 feet of the property line.

SECTION 11. The Village Board shall establish an initial connection charge to be paid for the connection of each building to the public sewer line, and such initial connection charge shall be subject to change as future circumstances may require, by action of the Village Board. Appropriate monthly charges for regular sewage service shall be established from time to time by the Village Board and the same shall be paid for each property served by the sewage system or for which such service is available and required under the provisions of this Ordinance to be connected to the Village Sewer System (whether or not the same is actually connected) and all such charges shall be paid directly in the Village Treasury. An appropriate system of billing property owners and/or occupants for sewer connection charges and monthly sewer service shall be established by the Village Treasurer. Sewage service charges accumulated and delinquent for more the three (3) months shall constitute a special charge line against the property to which such service has been furnished, or is available, and shall be entered upon the tax roll as such by the property village office, and collected in the same manner as real estate taxes are collected.

The charges required to be fixed hereunder are hereby established as follows:

All buildings, including mobile homes located outside of mobile home parks	\$200.00
Mobile home park (per mobile home, subject to minimum charge of \$200.00	\$100.00
